

Welcome to our virtual festival! It will look a lot different this year, but we are so proud of our students and how they adapted and videoed some stellar performances.

This schedule gives the dates and times of the adjudications on Zoom. We will not be watching the performances - you will be given a chance to see those ahead of time. This will be time for the adjudicator to speak with the students in each class and give their evaluation. We recommend you join the zoom meeting at least 10-15 mins BEFORE your child is scheduled. Enjoy!

Thank you to our major sponsors:
